DEVELOPMENT CLUB

Welcome to the mid season Ranger, CRFC's quarterly newsletter. It's been a busy first few months and fortunately the weather has been kind to us so far with no matches cancelled.

We are working hard to build the younger age groups and are looking for Y1, 2 and 3 players to complete existing squads and build new teams.

If you know of any players looking for a team please pass on Liz's details, our membership secretary.

One of the biggest challenges we face is the recruitment of coaches and managers to run teams. It's very rewarding and not too time consuming.

Without parents willing to step up to the touchline we can't develop additional teams for the players to join.

The club will provide full support and pay for FA coaching courses so volunteers can attain their Level 1 badge.

LINESMAN COURSE

The linesman course held at Parmiters was a great success. Everyone who attended said how useful and informative it was.

All clubs ask parents to run the line and a little information and guidance goes a long way to making sure a match goes smoothly.

The feedback we received was that those that came long could now run the line with greater confidence.

Thank you to Neil and Kim (U11's) for organising this and we hope to arrange another session later in the season.

PLAYERS & COACHES NEEDED

We are looking for coaches to help run our Year 2 age group who currently train with our Year 1's.

Marcel is doing a fantastic job with Mark and Phil, but all have sons that are in Y1.

We already have a Year 2 players training and preparing for regular football next season and need a few more players and a couple of parents to help run a team.

If you know any keen Year 2 players with willing parents, please invite them to Saturday morning training.

U14'S MESS ABOUT IN BOATS

Will Leyshon's U14's visited Hillingdon Outdoor Activity Centre (HOAC) in early Sept courtesy of the money awarded by the FA for their County FA Fair Play award.

The lads had a fantastic 2 hours of kayaking and all got soaked from head to toe. It was a great team building activity and provided much amusement to the parents as the boys fell out of their boats on a regular basis.

Will thoroughly recommends it to any team, when the water is a little warmer!

U12 CLARETS – THE SEASON SO FAR

The U12's have had a strong start to the new campaign with 6 wins out of 7 in what is proving to be a very competitive Green Division of the Watford Friendly League.

New boys Harry Henderson and Bilal Redjidal have slotted into the team well and the coaches have targeted a top 3 finish for the season.
