

Welcome to the second Ranger of the 2015/16 season. This is the time of year when postponements are most likely.

Thankfully so far this season we have only had a couple of weekends training and matches cancelled due to the weather.

Parmiters postpone training and matches as a last resort to protect the pitches for future weeks.

We are fortunate to have use of quality pitches and lots of parking for all age groups at one venue. Most grassroots clubs play at multiple venues on overused pitches.

Our philosophy is to encourage attractive passing football. Training and playing on decent surfaces helps us to achieve this.

### CAFE 6 NOW OPEN

In addition to excellent pitches and parking, Parmiters have now opened Cafe 6 in the 6<sup>th</sup> Form Common Room opposite the sports centre.

Gabby and her team of helpers will provide hot drinks and food as well as a selection of snacks and will be open on Saturday and Sunday mornings.

It's great to finally have somewhere for parents and coaches to sit and have a cup of tea after training or matches.

### RECEPTION PLAYERS WANTED

At this time of year our thoughts turn to next season and specifically the U6 (Y1) and 7's (Y2).

In September Marcel, Stuart and Tim will move up with their current U7's (Y2's) to U8 as the team begins its adventure in league football.

We have an experienced team of coaches in place to provide cover for the youngest age group until a parent coach is recruited.

We are looking for current Reception and Year 1 players who are looking to get their first taste of organised football.

The emphasis is on fun, building self confidence and learning the basics of the game in a safe environment for this age group.

We have a supply of player recruitment leaflets kindly donated by **Metro Printing** of Watford that can be distributed through book bags at school or put up in local shops.

If you know anyone who may have a child that loves football, or any teachers or teaching assistants at local schools please point them to our website or our membership secretary Liz who can be contacted at [crcmembership@hotmail.co.uk](mailto:crcmembership@hotmail.co.uk).

**CLUB WEBSITE**

The club want to say a big thank you to **Tomasz Libich** who has spent countless hours bringing together the new club website.

Tomasz's son plays in the U11's and his technical know-how has been invaluable. You can now find us online, on Facebook and on Twitter.

Tomasz has also produced a CRFC App which allows managers to upload their weekly results from their mobiles.

**Charlie Rowland**, an ex CRFC Player who spent 11 years playing with the club and is now a coach with the U13 Clarets has offered to monitor and update the site.

Each team has its own page which the manager can update

We are particularly proud of the coaching section that provides our coaches with a full range of drills that can be used and adapted for any age group.

There is also a useful "Downloads" section that includes club forms as well as useful tips for managers and parents.
