This document sets out how to go about registering your child/ren with Cassiobury Rangers Football Club (CRFC) for the 2021/22 football season starting in September 2021.

Please use the Club's [online registration form here](#) to register for next season. Please register your child/ren **by 23 May 2021**.

**Club membership fees** remain unchanged for the 2021/22 football season and are as follows:

| Team Group (School Year)                                     | 2021/22 Membership Fees |
|--|-------------------------|
| U8s to U11s<br>(School years 3, 4, 5 and 6):                 | £162.75                 |
| U12s and above<br>(School years 7, 8, 9, 10, 11, 12, and 13) | £181.00                 |

CRFC's Membership fees remain very competitive and cover:

- Match day pitch fees at Parmiter's School.
- Use of astro turf and playing fields so that players have the best training environment.
- A full Cassiobury Rangers FC playing kit.
- Referee match day fees.
- Equipment for training and games including balls, cones and first aid kits.
- FA training courses for coaches enabling them to deliver effective training sessions and an enjoyable match day experience.
- Insurance for all registered members.
- Annual registrations with Watford Friendly League and West Herts Youth League.
- End of season trophies and awards.

Everyone involved in running the club and teams does so voluntarily, freely giving their time and energy so that our children can enjoy the game we all love. All club officials, managers and coaches are passionate about giving young people the opportunity to experience being part of a football squad and develop in a safe and fun environment. The club could not exist or be the same without its parent volunteers.

Paying by internet banking

We would prefer parents / carers use internet banking as the easiest and most convenient way of paying CRFC membership fees. The banking and reference details you need are:

|                        |   |
|------------------------|---|

| <b>Reference:</b>      | Your team manager's first name followed by your child's surname followed by your child's first name.<br><br>Examples: PaulBloggsJohn or JamesBloggsJohn |

It will be enormously helpful if you could take a screenshot of your payment and email it to [crfcmembership@hotmail.co.uk](mailto:crfcmembership@hotmail.co.uk) so we can trace it easily and note that you've paid your membership fees it against your membership application.

Paying by cheque

Cheques should be made payable to **Cassiobury Rangers FC**. Please make sure to write your child's name and team (eg, John Bloggs, U8s) on the back of the cheque(s).

You can pay CRFC Membership fees using one cheque for the full Membership Fee or pay the Membership Fee in two instalments with two cheques. **If you want to pay by two instalments, a £15 administration charge must be added to the Membership Fee** see the table below on how much each cheque should be for:

ASSOCIATION

If you pay by cheque, please make sure you keep enough funds in your bank account so your cheque doesn't bounce. **If paying by two cheques, please give both cheques to your team manager by 23 May 2021.** We will bank the first cheque as soon as possible after we receive it. If paying by instalments we will email you in January 2022 to remind you that the second cheque is going to be banked shortly after 31 January 2022.

If your cheque bounces, you may face bank charges from your bank and CRFC is charged as well. We will ask you to give us a new cheque with an extra £4 to cover the bank charges CRFC has had to pay.

#### Paying by cash

If you want to pay membership fees by cash, the whole fee should be paid. However, if you agree with your team manager to pay by two instalments, then an additional £15 administrative fee is added. For how much to pay for each instalment see the table above for paying instalments by cheque.

If you have difficulty paying CRFC Membership fees, please talk to your Team Manager or get in touch with the CRFC Membership Secretary.

#### **Sibling Discount**

The discount is £10 per child if you have more than one child playing for CRFC. Please take this amount off when paying your Membership fees. The Club can't reimburse overpayments.

An example is: one of your children is a new member in the U8s team and another one is already a member in the U12s team. This would be membership fees of £162.75 plus £181.00, making a total of £343.75. As you have two children playing for the club you take off £10. This leaves £333.75 to pay for both children.

**Please give cash and cheques to your Team Manager by 23 May 2021.**

#### **Registering with the Leagues**

All members must provide **new photos** of themselves for next season so that they can play in League games. Team Managers will take electronic photos of all the players in their teams which will then be uploaded to the League registrations systems and also Football Association's Whole Game System if they have registered to play with the Club for next season using our [online registration form](#) **by 23 May 2021.**
